

## After School Care Shop

Although children are given a variety of baking, savouries and fruit, for afternoon tea each day, some children like to buy additional food items in the afternoon. These items are only given to children who have permission from parents/caregivers. The amount is charged to your account. Alternatively, your child may pay with cash.

You can select what items your child/children can have and on which days. Children may only order one item per day.

If you send food from home for your child to have, which we must reheat or prepare, e.g. popcorn or noodles etc... \$2.00 will be charged to your account for preparation and cleaning.

**Please fill in the slip at the bottom of this form, print, scan and email to us if you would like to use this service - [basc@sherwoodprimary.school.nz](mailto:basc@sherwoodprimary.school.nz)**
